TIPS FOR PARENTS

- Provide your children with a kids mike system and give them topics to speak on, listen to them attentively and guide them in the right path, it will help to boost their confidence and eliminate stage fear.
- Being a part of nature will help them develop keen observation power and learn things in a manner that will leave a lifelong impact.
- Please print out the Holiday homework available on the school website and guide your child to complete the exercises/projects given.

Your support and co-operation will enable our little ones to return to school with renewed zest and vigour. Wish you and your ward a 'Happy Summer Holiday'.
