

PURPLE DAY ASSEMBLY

Colours always fascinate us. It enlivens our environment and is an integral part of our lives.

Purple Day was celebrated on 13th December, 2021 by our tiny tots, adorned with a purple head band made by our children. Purple the colour that represents the future, imagination and dreams, spirituality, calming emotions was thoroughly enjoyed by our little ones.

Tiny toddlers were beautifully dressed in Purple. It was a pleasant and lovely day for these tiny tots.

Excitement and laughter filled the air and the campus was vibrant with colours. It was a special and colourful day for the children. They also brought many purple coloured objects-toys, fruits, vegetables etc. Colour recognition was done by displaying these items and encouraging children to speak a few sentences on each object. Children took part with great enthusiasm in painting activities and colouring worksheets related to purple colour, thus reinforcing the concept of purple colour. They sang rhymes and songs based on purple colour. Purple day celebrations prompted the children to think how colour enhances and influences our lives. It turned out to be a remarkable day filled with fun and enthusiasm.
