

## INDIAN SCHOOL AL WADI AL KABIR

### CHRISTMAS CELEBRATION

Christmas is the season of greetings, good tidings and care. It is a time when the world feels magical, warm and wonderful. To celebrate this festive season virtual assemblies were held in classes from Kindergarten to Class V. The students enjoyed the much-anticipated special assembly for Christmas with fervor and excitement on December 16, 2021.

The assemblies showcased the story of Jesus Christ's birth. The students also sang carols and danced to the merry tunes of Christmas songs. The excitement in the classrooms was heightened with the Vice Principals and Supervisor wishing the students an advance Merry Christmas and a Happy New Year. The Kindergarten had a special surprise lined up for the little children with a special appearance by Santa Claus.

It is indeed a beautiful way to end the school term and begin the winter vacation with lighting up our student's adorable faces with smiles and cheer.
