CHILDREN'S DAY CELEBRATION

*Children are the budding stars,
The more you embrace them, the more they shine.*

Children's Day is one of the most awaited events in the School Calendar which is celebrated on 14th November each year. It commemorates the birth of 'Chacha Nehru', as Pandit Jawaharlal Nehru was affectionately called by the children he loved so dearly. He was the first Prime Minister of India who advocated for children's basic right to education as they mark the real strength and foundation of the society.

The day focused on children and their enjoyment. The day commenced with immense joy, enthusiasm and magnificent games organized with zeal and enthusiasm by the Primary Section of ISWK, The Primary Teaching Faculty organized the live stream events with a lot of elation and rhapsody. The children witnessed the teachers presenting an exclusive program for them. The great children -friendly ambience was created as the teachers conducted showers of various events and programs especially for the kids. The classrooms were buzzing with excitement and joy.

To conclude, our Principal Mr. Rao and the Vice Principals Mrs. Prabhat and Mr. Schwan motivated and encouraged the youngsters with their valuable words of wisdom.

Soon after watching the video, the students' messages poured in, thanking the teachers profusely for making Children's Day 2021 so special. The heartfelt appreciation, likes and comments by the students are a testimony to the grand success of the physical as well as the digital celebration of Children's Day 2021.
