

Diwali Celebration

KG and Primary

The festival of lights was celebrated with great joy and excitement by the students of the KG and Primary Section.

The children of Classes KG to V staged wonderful assemblies which were presented virtually. The assemblies showcased skits conveying the message of Diwali - 'The triumph of good over evil'. The children dressed as Rama, Laxmana, Sita and Ravana and portrayed the story behind the festival beautifully! It reminded us all that truth is always victorious! There were rhythmic renditions of songs and peppy dance performances by the students.

The assemblies were delightful and set the spirit for the festive season! May the festival of lights fill our lives with the glow of happiness and the sparkle of joy!

Happy Diwali to one and all!

Happy Diwali!

Happy Diwali!
