**CIRCULAR TO PARENTS
[CLASSES VI & XII]**

Dear Parents

Greetings from ISWK,

As we draw close to the end of the school year, we would like to take this opportunity to thank you for your continued and unrelenting support. This academic year (2021-22) has been an exceptionally challenging one for everybody associated with the school community, but we have all worked tirelessly together to ensure that we could continue to provide the highest level of educational as well as personal support for all our students.

We are so thankful for the hard work, determination and resilience that the students and staff have shown this year despite all the unprecedented challenges we have faced. Our students deserve special mention as they have continued to work together with the teachers to get through the ups and downs of this global pandemic. We are grateful for your understanding, positivity and generosity. The messages of support and positive feedback that you have given to us from time to time have always motivated the ISWK team to scale greater heights in academics and co-curricular activities. We believe that 'learning never stops at ISWK' and so, in spite of all the challenges, our students have excelled in various inter-house and inter-school events. We are delighted to inform you about our new initiative 'RHAPSODY - PROJECT BASED LEARNING' for students of classes VIII, IX & XI in order to enhance their higher order thinking and problem-solving skills.
