(CLASS III)

# \*6 Storytelling Competition \*7

A wise man once said, “Story telling is about connecting to other people and helping people to see what you see.” Since time immemorial, Storytelling has been an integral part of our childhood. Keeping this in mind and remaining undeterred by these unprecedented times, an online Storytelling Competition was organised by the Department of English for the students of Class III at ISWK.

A flyer explaining the details of the Competition was uploaded in the Google Classroom and participants were invited to send the video of their story in accordance with the theme of ‘Friendship’. The teachers of English encouraged their students to actively participate in the Virtual Storytelling Competition.

The young vibrant storytellers came forth with wonderful tales reinforcing values. Some narrated folktales while others recounted their favourite bedtime story. The enthusiasts dressed up as characters and presented their story with the use of facial expression and voice modulation. To captivate the audience's attention, the bright narrators of Class III used props like puppets and performed in front of beautiful backdrops.

The eloquence of the presenters was noteworthy. The stories were adjudged on the basis of Presentation, Voice Modulation, Expression, Audibility, Body Language, Content, Costume, Use of Props and Backdrop. The shortlisted and the Class Level winners were declared on 10<sup>th</sup> June, 2021. The Final Round of the Storytelling Competition was held on 14<sup>th</sup> October, 2021.

In conclusion, the winners and participants were awarded certificates to encourage and boost their confidence. It's a kudos to the enthusiastic participants and to Team ISWK!
