

INDIAN SCHOOL AL WADI AL KABIR

READ A THON
CLASS - I 2021-2022

*"You can find magic wherever you look.
Sit back and relax. All you need is a book!" – Dr. Seuss*

READ - A THON CLASS - I 2021-2022

"A book is a gift you can open again and again." - Garrison Keillor

We at ISWK Primary offered the valuable gift of reading to the children of class I during the week of 30th January - 3rd February 2022. The reading environment was created by sharing the E Library with the children. Besides the children were also encouraged to read story books during their winter break. The children enthusiastically participated and enjoyed reading their favourite stories to their classmates during the online class hours. The parent community too, were equally involved in creating the ambience for the activity by getting their ward dressed up as one of the story characters. It was a great pleasure to hear the children read their favourite stories. A participation certificate was awarded to all the passionate and avid readers of Grade-1.

The pictures herein speak volumes of the cherished moments by the children during the Read - A - Thon week.
