CLASSES III & IV

ENGLISH POETRY RECITATION COMPETITION

The main purpose of poetry recitation in a language classroom is to enjoy and appreciate the poem by reciting it loud. The key step in learning any language is to read, understand and appreciate the beauty of the language through its literary works. Keeping this in mind and remaining undeterred by these unprecedented times, an online Poetry Recitation Competition was organised by the Department of English for the students of Classes III & IV at ISWK.

A flyer with the names of the students selected from each section for the Competition, Class III (sections A - J), Class IV (sections A - I) was uploaded in the Google Classroom and participants were invited to recite their poems virtually. The teachers of English encouraged their students to actively participate in the Virtual Poetry Recitation Competition.

Students were given the opportunity to showcase and strengthen their communication skills and to make appropriate use of emotion, accent and voice modulation through their performances.

The Poetry Recitation was adjudged on the basis of effective use of Voice, Enunciation, Voice Modulation, Expression, Audibility and Memory. The Final Round of Poetry Recitation Competition was held on the 20th and 21st of February 2022 for Class IV and 21st and 22nd February 2022 for Class III. The Class Level winners were declared on March 3rd, 2022.

In conclusion, the winners and participants were awarded certificates to encourage and boost their confidence. Kudos to the enthusiastic participants and to Team ISWK!
