

ENGLISH RECITATION COMPETITION CLASS - I (2021-2022)

They say, **“Winning does not matter, it is your hard work and participation that counts.”**

A virtual English Recitation Competition was organized for class I. The competition was organized at two levels, Class and Inter-Class Levels.

The children enjoyed the rhyme and beauty of the poem and recited them with enthusiasm and zest. Keeping the criteria in mind - voice modulation, pronunciation, memorization, clarity/audibility, and poise /overall presentation, the children recited with confidence.

The opportunity was given to all the students to participate.

The Inter-Class Competition was judged by Mrs. Anessa S., Mrs Vanessa T. and Mrs Sakina P. The students eagerly participated in the contest to prove their competitiveness as they got an occasion to exhibit their flair.

Our young learners showcased great vigour and emotions.
