

EID ASSEMBLY

Eid stands for sacrifice, rejoice, bliss and commitment. On the auspicious occasion of Eid, the children of the Kindergarten conducted a special assembly on the 9th of May 2022. The foyer was beautifully decorated to fill the ambience with the spirit of festivity.

The children of the Kindergarten came dressed in the traditional attire worn during Eid and presented a beautiful dance programme which added colour to the celebration. They further spoke on the significance of this festival.

Eid is not as much about opening our presents as opening our hearts. Indeed, the children of the Kindergarten had kindled the spark of festivity and joy.

EID MUBARAK TO ONE AND ALL.
