CIRCULAR TO PARENTS
[All Classes]

Dear Parents,

Greetings from Indian School AL Wadi AL Kabir.

1. Lifting of COVID 19 Restrictions

With reference to the announcement made by the Oman Supreme Committee related to the lifting of regulations pertaining to COVID 19, and ISWK adhering to the same, we request you to please make note of the following procedures which will be followed at our school.

- The wearing of face masks for staff, students, parents and visitors will be optional. However, it is recommended that all precautionary measures with regard to hygiene and use of sanitizers continue to be practiced, as the virus causing COVID 19 is still active.
- The ISWK family will respect that individuals may choose to wear a mask for personal protection if suffering from health issues or poor immunity.
- Staff and students who are unwell (suffering from high temperature, cough, severe cold) are advised to **not attend school**, till the date they are free of all symptoms. In severe cases, medical documents are to be submitted at the time of rejoining school.
- The school will continue to maintain strict hygiene and cleanliness. We sincerely hope the above points will be taken note of and adhered to keeping in mind the safety of all.

2. Rising Temperature in the country

The temperatures are soaring in the country day by day. As we are nearing the fag end of the session by 6th June 2022, we would like to request all parents, students and staff alike to take utmost care of the self and children during the day.

We have been observing seasonal flu and other discomforts led by the scorching summer. Hence the request to take an additional step in this area.

This is for your kind information and in the interest of the wellbeing of all.

With best wishes and warm regards.

D. N. Rao
