

YELLOW DAY ASSEMBLY

Yellow represents optimism, splendor, brightness, and happiness. It represents innovation, optimism, intelligence, and delight. The Kindergarteners had a special assembly on the color 'Yellow' on Thursday, September 15th, 2022. The objective of "Yellow Day" was to make children aware of the color yellow and its significance among children. Children were dressed wonderfully in their favorite yellow outfits and wore yellow-colored smiley badges to complete the "Yellow Day"! It was lovely to see our tiny tots and teachers dressed in their yellow outfits. All the students performed rhymes and demonstrated their love for their yellow toys.
