**CIRCULAR TO PARENTS
(All Classes)**

Dear Parents,

Navaratri Greetings from ISWK!

To add colour to this festive season, we are delighted to share some good news with you!

For years now, ISWK has been providing financial support to needy parents in the form of fee concessions so that their wards could continue to attend their classes uninterrupted. All credit goes to the school management that has so graciously considered many requests over the past years and served the community and parents.

After carefully reviewing the practice of providing financial aid, the School Management Committee has designed a **new scholarship scheme to replace the existing process of 'fee-concession'**, which will ensure that a large number of students are able to benefit from the financial assistance program of the school. The school management has decided to introduce **Shri. Kanaksi Khimji Scholarship-KKS** in commemoration of the magnanimity and generous contributions of Late Shri Kanaksi Gokaldas Khimji, towards our institution.

Thus, please be informed that **fee concession applications will be replaced with KKS applications**, as the existing system of fee concession has been discontinued with effect from 1st April 2022. As mentioned, **Shri Kanaksi Khimji Scholarship-KKS** will now be applicable, beginning from the current academic year 2022-2023. The KKS will help parents to avail financial assistance for meritorious students in academics, games & sports and other co-curricular activities and will also apply to need based requirements. The scholarships will be granted by the School Management Committee after thorough scrutiny of the applications and the relevant documents submitted by the applicants.

The application forms for Shri. Kanaksi Khimji Scholarship-KKS for a given academic year will need to be filled out by the parents on or before the **31st October, 2022.**

THE APPLICATION FORM FOR THE CURRENT YEAR HAS TO BE SUBMITTED BY THE 31st OCTOBER, 2022.
