**CIRCULAR TO PARENTS
(All Classes)**

Dear Parents,

Sub: Update on Fee Structure w.e.f. the ACADEMIC YEAR 2023-24

Greetings from Indian School Wadi Kabir.

ISWK, being one of the larger Indian schools in the capital, offers the best quality education and numerous opportunities to train and showcase its students' talent in scholastic/co-scholastic as well as games and sports with the help of expert faculty and ISWK Academy, focusing on 360-degree student development. We have strived to always provide the student community with the finest educational services by establishing and maintaining the highest standards of excellence.

Over the years, you must have been witnessing various achievements of our school in the Academic and Activities front, the most recent initiative being Shri Kanaksi Khimji Scholarship to recognize and assist students under merit-based/need-based categories based on their application.

As a part of continuous improvement, we have switched to a new school ERP (MCB-My Class Board) automating fee payment, book sales, downloadable version for ISWK Parents to get real-time updates and information etc., and with various other features that are available only with the ISWK ERP. Other Infrastructural developments like the swimming pool facility, an improved stadium with seating arrangement at the Primary ground, and many more are in progress and will be open to the entire ISWK community soon.

To further support the robust forward planning with an idea to serve better, we wish to inform you, on behalf of the School Management Committee, that there is an **increase of the Tuition fees by RO 2/- per month (in consultation with the Board of Directors of Indian Schools, Oman) with effect from the Academic Year 2023-2024**. *This does not include, external examinations such as CBSE Board Exams and Olympiads, national/international tours and overnight trips like school excursions and participation in national-level sports and games.* The details of the fee structure will be available on the school website (<https://www.iswkoman.com/fee.php>)

We are forever thankful to all the parents for their continuous support which is inevitable in the journey to maintain excellence in the standard of education from time to time and assist in the smooth functioning of our school and its activities.

Thank you.

Best regards,

D. N. Rao
Principal
