CIRCULAR TO STUDENTS AND PARENTS
[Classes VI-XII]

Dear Parents and Students,

Greetings!

We are delighted with the positive responses we have received from parents and students about the Demonstrative Aeromodelling sessions that were held recently at ISWK.

As indicated earlier, the school plans to introduce Basic Rocketry and Aeromodelling as a skill based subject for students of Classes VI - XII. We intend to commence the programme in the month of January 2024 (the start date will be informed later).

The course is being conducted by well known space enthusiast, Dr. MRK Menon and his team. If you are interested in enrolling your ward in the programme, kindly peruse the attached brochure that has details regarding the course, duration, fees and course outcome.

The registration form link is given below:

<https://forms.office.com/r/kAquMCTW3q?origin=lprLink>

We encourage parents and guardians to enroll their wards in this programme as it will provide valuable learning experiences that go beyond the traditional classroom setting.

For any further inquiries or clarifications, please feel free to contact through email:

avpsecondary.science@iswkoman.com or hod.science@iswkoman.com

Best regards,

D N Rao
Principal
