INTER HOUSE TABLE TENNIS - PRIMARY WING
RESULTS 2023 - 2024**

The Inter House Table Tennis Tournament held on 8th November 2023 in the primary basement was a resounding success, showcasing the talent and sportsmanship of young participants in the under 10 and under 8 categories.

We are delighted to share our heartfelt appreciation for the outstanding performance of the children who attended the 10-day camp held in primary school before the tournament. The dedication, enthusiasm, and positive attitude displayed by the children throughout the camp were truly commendable.

The camp and event brought together students from different houses to compete in a friendly yet competitive environment. In the under 10 and 8 categories, the young players displayed impressive skills and determination. The young boys and girls showed great enthusiasm and energy on the table tennis court.

The final matches were a testament to the hard work and dedication of the participants, showcasing their passion for the sport.

Overall, the Inter House Table Tennis event was a wonderful opportunity for students to showcase their talent, build friendship with their peers, and foster a spirit of healthy competition.

The event would not have been possible without the support of the school administration, teachers, and staff who worked tirelessly to organize and coordinate the tournament.

We look forward to more such events in the future, encouraging young talents to excel in sports and promoting a culture of active participation and sportsmanship among students.
