CIRCULAR TO PARENTS
(Nursery to CLASS V – AY 2024-2025)

Subject: Important Update on School Uniform for the Academic Year 2024-2025
(Grades 1 – 5)

Dear Parents,

This is with reference to our earlier circular with regard to school uniform for the academic year 2024-2025. As part of our commitment to fostering a conducive learning environment and promoting equality among students, we place a significant emphasis on our school uniform policy. Uniforms play a critical role in eliminating distractions, enhancing students' focus on their studies, and fostering a sense of unity and school pride.

For the upcoming academic year 2024-2025, we would like to inform you that all students in Nursery and Kindergarten will continue to wear coloured clothes. However, students of grades 1 through 5 are required to adhere to the school uniform policy. The prescribed uniform will be the standard grey uniform, which has been part of our tradition and represents our school's values of simplicity, dignity, and equality.

However, we wish to inform you that the school uniform is undergoing a review and potential changes will be implemented to better meet the needs of our student body and reflect our school's evolving identity. In light of this, **we advise you to purchase the current grey uniform cautiously, considering the necessity and the number of uniforms required till the new uniform is made available for sale after the summer vacation.**

Please ensure that your child is equipped with the appropriate school uniform, as all students in grades 1 to 5 must be in uniform while attending school from the 3rd of April.

We appreciate your understanding and cooperation in this matter. Ensuring that your child adheres to the uniform policy is essential for maintaining the decorum and discipline of our school environment. It also enables us to provide a setting where all students can thrive academically and socially without the distinctions of individual attire.

Thank you for your attention to this important matter and for your ongoing support of our school policies.

Warm regards,

D N Rao
