22<sup>nd</sup> April, 2024

**Subject: Delay in Supply of Textbooks for the Academic Year 2024-25**

Dear Parents,  
Warm greetings from ISWK!

This is to inform you that due to unforeseen circumstances faced by publishers and distributors in New Delhi, there has been an undue delay in the delivery of textbooks for the academic year 2024-2025.

At this moment, we are unfortunately not able to provide a specific timeline, however, our teams are working closely with the relevant vendors, to receive the textbooks at the earliest. As soon as we have a further update, we will keep you informed, and you will then be able to place the order through our school ERP.

In light of this circumstance, we strongly encourage both parents and students to utilize the online resources (PDF versions of textbooks for classes 6-12) available on the NCERT website and also, on our school website. Here, you will find archived textbook data and materials from previous years, facilitating uninterrupted access to necessary learning materials and required information for continued studies.

**For the Primary classes, parents are requested to note that study material of the prescribed textbooks from private publications is available on the school ERP application.**

Moreover, we wish to reassure you that our proficient and experienced team of respective subject teachers is fully equipped to support our students during this interim period. They will be offering necessary guidance and supplementary resources about their respective subjects through online platforms.

We sincerely apologize for any inconvenience this delay has caused, for reasons which are beyond our control. Please be assured that we are actively engaged in resolving the issue and will keep you promptly informed about further developments.

**NOTE: The availability of the textbooks will be notified to the parents as soon as the textbooks are available for sale in the school.**

With warm regards,

D.N. Rao  
Principal
