CIRCULAR TO PARENTS [Class VI – Class XII]

Dear Parents,

Warm greetings from ISWK.

We hope this message finds you well. We are writing to inform you about an important update regarding the availability of textbooks at our bookstore for the current academic year. While we have successfully issued approximately 80% to 90% of the textbooks to our students in phases, we regret to inform you that our supplier could not provide them in time. However, the school will receive the latest consignment shortly with some of the remaining textbooks listed in the attached document.

You may click the link below for the PDF versions of all the textbooks (available for all the subjects) on NCERT portal:

<https://ncert.nic.in/textbook.php>

The school administration is making every possible arrangement, and any available books at our bookstore will be ready for purchase soon after the reopening of the school following the summer vacation.

Thank you for your continued support.

Warm regards,

D.N. Rao
Principal
