

YELLOW DAY ASSEMBLY

"Yellow Day was celebrated with great enthusiasm on the 26th October 2024 by K.G.I-D and K.G.I-F. The purpose of the assembly was to educate the children on the significance of the colour yellow. The vibrant photobooth, adorned with various yellow objects, added a fun and cheerful element to the event, providing an enjoyable experience for everyone. The students also learned about various yellow objects such as sunflowers, fish, cars and were encouraged to sing a few catchy rhymes. It was a lively and educational event that inspired and excited everyone about the colour yellow! The activities and decorations truly captured the essence of the day, making it a memorable celebration for all."
