These remarkable achievements reflect the unwavering dedication, hard work, and exemplary sportsmanship of our students, guided and motivated by their coaches. The school takes immense pride in their accomplishments and wishes them continued success in their sporting journeys. To further nurture and develop this sporting talent, **ISWK is pleased to introduce a Structured Sports Coaching Programme**. This initiative aims to:

- Encourage regular participation in physical activities.
- Provide professional training to enhance skills and discipline.
- Offer pathways for students to represent the school at CBSE Cluster, Zonal, and National competitions.

We kindly request parents to guide their wards in selecting their preferred sports/games and complete the Google Form provided below. **Consistency is essential in sports**; therefore, we urge both parents and students to make thoughtful choices and avoid frequent changes in selected disciplines. **Every student from Classes I to XII must select two compulsory games/sports for regular P.E. classes.**
