Subject: Invitation to Join Our Parent Volunteer Programme – Building a Stronger Learning Community

Dear Parents,
Greetings from ISWK!

At our school, we strongly believe that education is most impactful when it is a shared journey between school and home. In alignment with the **NEP 2020 vision of holistic, experiential, and competency-based learning**, and the **CBSE framework for future-ready education**, we continuously strive to create learning experiences that go beyond textbooks and classrooms.

In this spirit, we are delighted to invite you to be an active partner in our learning community through the launch of our **Parent Volunteer Engagement Programme**.

Every parent brings with them a wealth of experience, talent, and perspectives that can deeply enrich our students' learning. Whether it is through mentoring, sharing expertise, facilitating field or factory visits, supporting school events, or guiding students in real-world skills, your contribution can make a lasting difference in shaping confident, capable, and well-rounded learners.

We warmly welcome you to volunteer in areas such as:

- School events and celebrations
- Judging competitions and exhibitions
- Career guidance and mentoring for senior students
- Expert talks and workshops
- Experiential learning and project support
- Skill-based sessions in fields such as arts, technology, life skills, and more

We sincerely invite you to take a moment to register your interest and areas of contribution through the link below:

Your involvement will not only strengthen our school community but will also provide our students with authentic exposure, inspiration, and guidance from real-world experiences.

We deeply value your partnership and look forward to building a stronger, more vibrant learning ecosystem together.

Thank you for your continued trust and support.

Warm regards,

D N Rao
Principal
