Advisory on Student Transportation Safety and Compliance with Transport Regulations

Dear Parents,
Greetings from Indian School Wadi Kabir.

As per the directive issued by the Ministry of Education and the Ministry of Transport, Communications and Information Technology, received through the Board of Directors of Indian Schools in Oman, the transportation of students for a fee in private vehicles is strictly prohibited under the Land Transport Law and the School Transport Regulations of the Sultanate of Oman.

Parents are requested to ensure that students use only authorised and approved school transport arrangements. Kindly note that, with effect from August 2026, the school will not permit students to use unauthorised private transport for commuting to and from school.

We seek your cooperation in ensuring the safety of all students and compliance with the regulations issued by the concerned authorities.

Warm regards,

D.N. Rao
