Implementation of WhatsApp as an Official Communication Channel

Dear Parents,
Greetings from Indian School Al Wadi Al Kabir!

We are pleased to inform you that the WhatsApp Enterprise account of the school is now live and operational, and the school is ready to commence full-fledged communication through WhatsApp.

Going forward, WhatsApp will serve as a primary channel for official school communication with parents, enabling the timely, efficient, and reliable dissemination of important information, notices, and updates.

As part of the activation and verification process, parents are requested to send a **test message from their active WhatsApp number** to the **School's Official WhatsApp Number: +968 9127 1165**, mentioning the following details:

- Student's Name
- Class & Section
- GR No.

Parents are requested to complete this process on or before Thursday, 3 September 2026.

The respective Class Teachers will also be coordinating the collection and verification of the active WhatsApp contact numbers of parents. Parents are requested to ensure that the number shared is correct, active, and regularly used for WhatsApp communication.

Your prompt cooperation in completing this process within the stipulated timeline will enable the school to implement the WhatsApp communication facility smoothly and effectively.

Thank you for your continued cooperation and support.

Warm regards,

Jayaprakash Pillai
Officiating Principal
