

**INDIAN SCHOOL AL WADI AL KABIR
CIRCULAR TO PARENTS
(CLASSES 6 TO 12)**

Dear Parents,

Greetings from ISWK!

We are pleased to invite students to participate in the **International Asteroid Search Campaign (IASC)**—a globally recognized, hands-on astronomy Citizen Science Project where students analyze real telescope images to discover and track asteroids alongside scientists worldwide.

Learn more about the IASC Master

Teachers: <https://iasc.cosmosearch.org/Home/Trainers>

Students from Classes 6 to 12 are encouraged to participate in teams of two. The students may partner with a classmate, making the learning experience collaborative, engaging, and enjoyable.

During the campaign, students will receive:

- Structured online training sessions
- Guided astronomical data analysis
- Hands-on, project-based learning
- Mentorship from experienced trainers throughout the campaign

Programme Details

Campaign Dates: 5th November- 2nd December, 2026

Registration Deadline: 29th October 2026

Eligibility: Grades 6–12

Registration link: <https://workshop.spacetopia.in/iasc-s>

Please note that a maximum of 7 teams will be selected in this campaign. Each team comprises 2 students, allowing up to 14 students from the school to participate. As the seats are limited, the registration will be confirmed on a first-come, first-served basis.

To participate in this campaign, please ensure that each participant:

- Has access to a Windows-based laptop

- Has a stable internet connection
- Can commit approximately 5 hours per week
- Is available to attend two initial online training sessions before the campaign begins
- Both team members have to register separately

Upon successful completion, each participating student will receive a Certificate of Participation jointly issued by NASA, IASC, and Pan-STARRS.

Happy Exploring!

Warm regards,

Ms. Priyanka Sreejith - Event Coordinator
VS20 Astronomy Division - ISWK
In collaboration with **Team Spacetopia**
