EARTH DAY 2026

OUR POWER, OUR PLANET

ACT TOGETHER. CHANGE THE FUTURE.

COMMUNITY ACTION

CLEAN ENERGY NOW

PROTECT OUR EARTH

The official Earth Day 2026 theme is:

🌍 “Our Power, Our Planet”

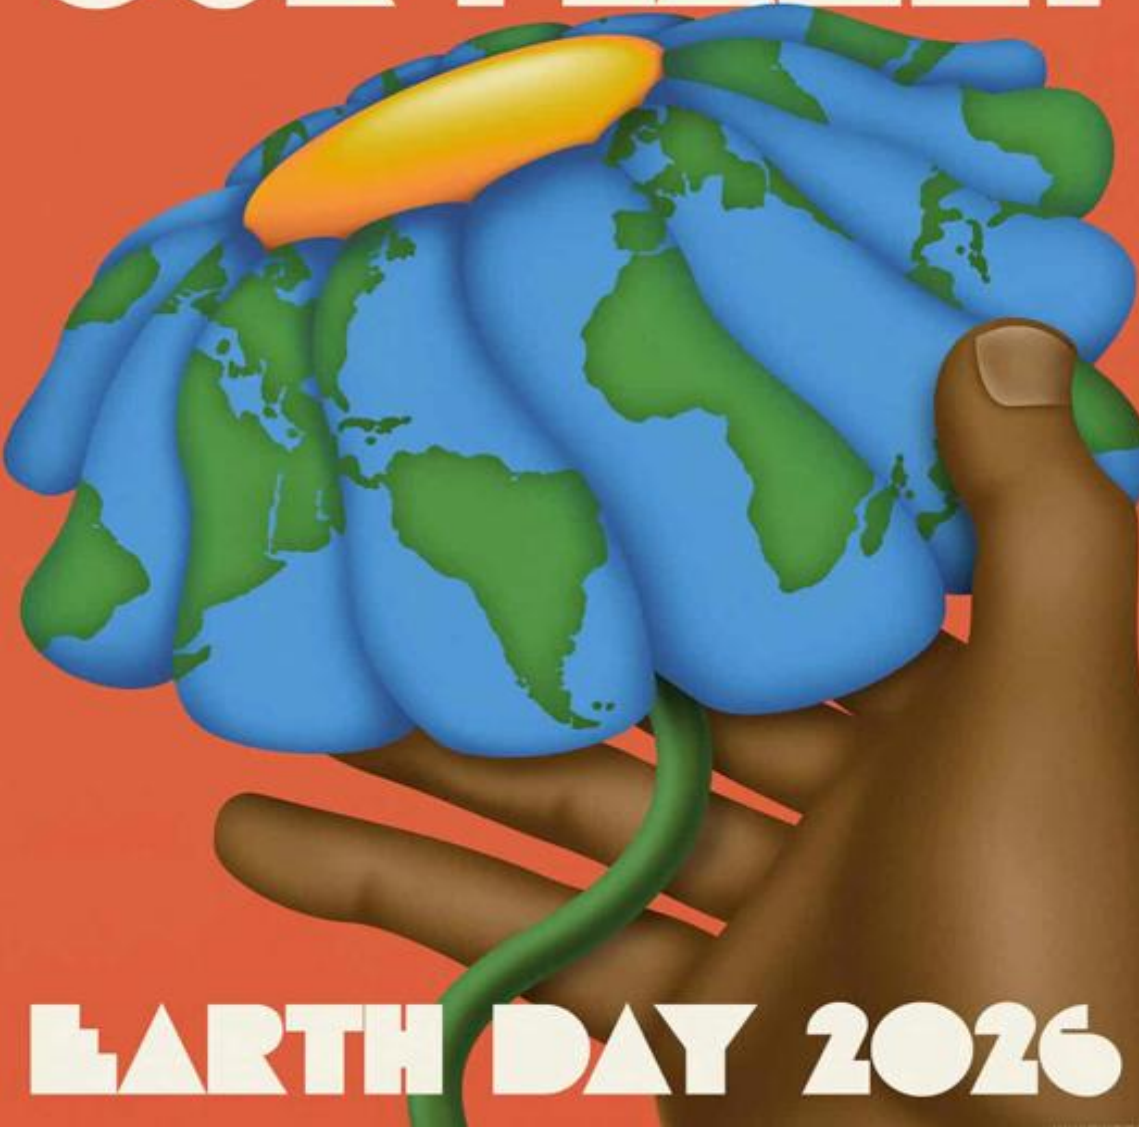

This theme highlights the idea that environmental protection and climate action are driven by **people’s collective power—individuals, communities, and organizations working together** to create real change for the planet.

It emphasizes:

- 🌱 Community action and local solutions
- ⚡ Clean energy and sustainability
- 🤝 Shared responsibility for protecting Earth
- 🌍 Global participation in environmental protection
-

Earth Day 2026 continues to focus on mobilizing people worldwide for climate action and environmental awareness under this theme.

**OUR POWER
OUR PLANET**

Earth flower:

This flower is a reminder that flowers are not decoration, they are connection, linking birds, insects, and humans in the same quiet act of care.

EARTH DAY 2026

TRUE FACTS

- ❑ **Scientific research indicates that there is a very real chance there is plastic in your brain.**
- ❑ **A 60% global reduction in plastic production by 2040 has to be achieved.**
- ❑ **A bold vision to plant 60 million more trees by 2030—each one a step toward a healthier, more sustainable world.**
- ❑ **The global movement to reforest the Earth, preserve biodiversity, and capture carbon that would otherwise be released into our atmosphere.**
- ❑ **Supporting women farmers in India is just one of the many ways we are living into our 2026 Earth Day theme of *Our Power, Our Planet*.**

Every global movement starts with just one person

- A single person picking up a plastic bag on a beach / school / environment.
- A single student taking part in a recycling program at their school.

My Pledge

I recognize that I have the power to create change. Today, I pledge to honour our planet through my everyday actions. I will be mindful of what I consume, I will protect the local ecosystems, and I will use my voice to speak for a sustainable future. By acting locally and thinking globally, I am doing my part to ensure a healthy, thriving home for all.

GLOBAL ACTION PLEDGE

EARTH DAY QUIZ!

HOW MUCH DO YOU KNOW ABOUT OUR PLANET?

1. WHAT IS THE LARGEST OCEAN ON EARTH?

- A Atlantic Ocean
- B Pacific Ocean
- C Indian Ocean

2. HOW LONG DOES IT TAKE FOR A PLASTIC BOTTLE TO DECOMPOSE?

- A 100 Years
- B 450 Years
- C 1,000 Years

3. WHICH GAS CAUSES THE MOST GLOBAL WARMING?

- A Oxygen
- B Carbon Dioxide
- C Nitrogen

4. WHAT CAN YOU DO TO HELP THE EARTH?

- A Plant Trees
- B Recycle More
- C Save Energy

TEST YOUR
ECO KNOWLEDGE!

EARTH DAY

WHAT INTERNATIONAL AGREEMENT TO FIGHT CLIMATE CHANGE WAS OPENED FOR SIGNATURE ON EARTH DAY 2016?

EARTH DAY

WHICH CRITICAL RESOURCE COVERING ~71% OF EARTH'S SURFACE NEEDS OUR URGENT PROTECTION FROM POLLUTION AND CLIMATE CHANGE?

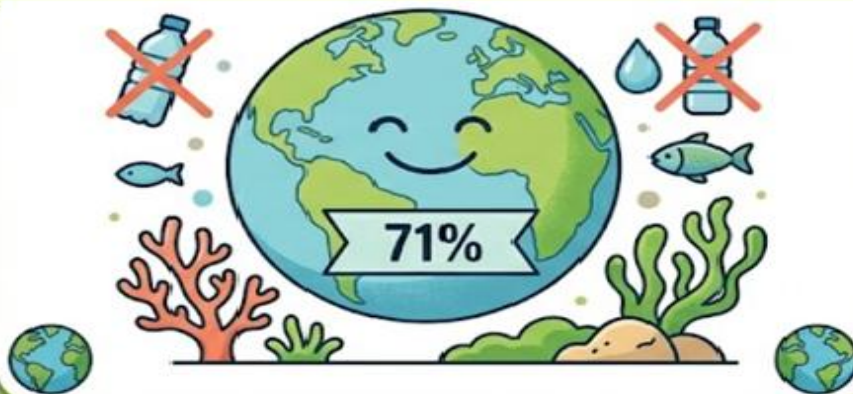

ANSWER:

THE WORLD'S OCEANS & SEAS

Protecting our marine ecosystems is vital for Earth Day and every day!

EARTH DAY

WHAT MAJOR INDIAN ENVIRONMENTAL ISSUE IS DEPICTED IN THIS INFOGRAPHIC?

ANSWER:

AIR POLLUTION / IMPROVING AIR QUALITY

Exposure to high levels of particulate matter (PM2.5) is a leading health risk in India, especially during winter months, demanding urgent citizen and government action.

'EARTH DAY: OUR HOME, OUR FUTURE'

1 THE AWAKENING.

ANANYA: 'Look at this, Aryan. It hurts the earth.'
 ARYAN: 'Earth Day is tomorrow. Let's make a change!'

2 THE THREE PILLARS (3Rs).

'We'll follow the 3Rs!'
 1. REDUCE: Less packaging.
 2. REUSE: Metal bottles, bags.
 3. RECYCLE: Separate dry and wet waste.

3 SAVING EVERY DROP.

'Water is life!' Fixed school taps and started a 'Water Warriors' club to save water. No drips!

4 GREEN ENERGY, GREEN FUTURE.

'Less fuel, clean air!' Cycling or walking to school prevents pollution in our city. Good for health too!

5 THE POWER OF ONE.

Ananya speaks: 'We don't need to be superheroes. We just need to be mindful students. Every small action counts!'

6 OUR PLEDGE (TIPS FOR STUDENTS).

-OUR EARTH DAY PLEDGE:-
 1. NO SINGLE-USE PLASTIC.
 2. SWITCH OFF LIGHTS/FANS.
 3. PLANT ONE TREE ON MY BIRTHDAY. ✓
 4. TEACH 5 FRIENDS! ✓

THE ROLE OF ISWK STUDENTS

CARRY YOUR OWN BAG

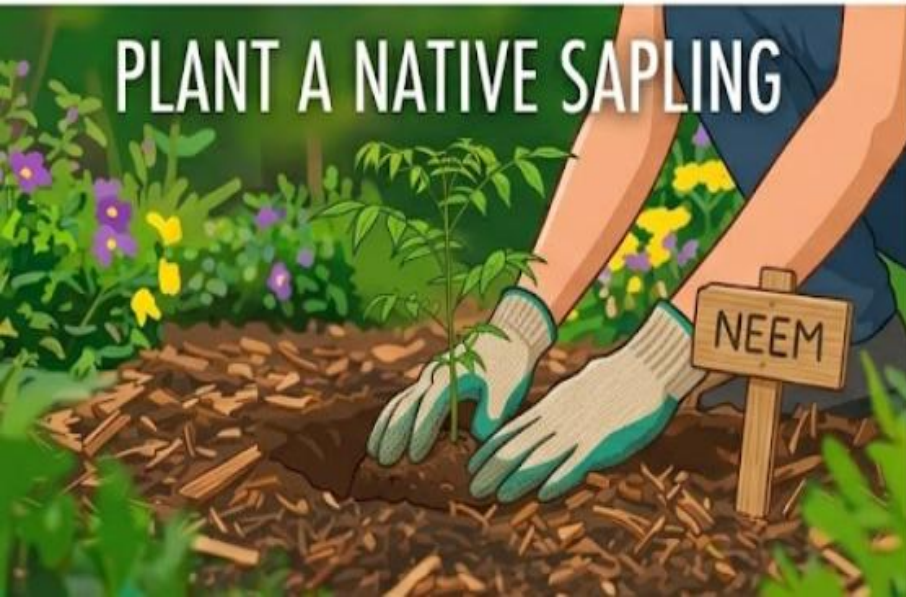

SAVE EVERY DROP

SAMPLE STICKY NOTE CORNER
IN THE CLASS NOTICE BOARD

PLANT A NATIVE SAPLING

The Pledge

Thank you dear Middle School Science teachers

'Middle School Science teachers: You are the roots and branches of a truly green future. Your dedication to environmental stewardship during the excellent Earth Day 2026 celebrations inspires us all.'

THANK YOU
for making a difference!
HAPPY EARTH DAY

Protecting Our Planet, Together.
