## Introduction

Before writing the story it is essential to plan what you are going to write about . One of your first decision will be 'what type of story am I going to write?'

Now let's see what ingredients make a great story

Typically short story has five key elements - MemorableCharacters, Setting

(brief but poetic and vivid), Plot (as simple and interesting as possible), Conflict (intense but one), and Theme. Introduce monologue, dialogue

or conversation; but be careful to make it interesting and natural.

Let your imagination work this winter. Write a story using
