MATHEMATICS	Sequence And Series And Straight Lines	Straight Lines	Straight Lines and Conics	Conics	Conics and 3D
MATH PRACTICALS	Sequence And Series Activity 17 An alternative approach to obtain formula for the sum of squares of first n natural numbers. Conics Activity 22 To construct a parabola.				
ECONOMICS	7. CORRELATION- Karl pearson's and Spearman's methods Act: Worksheet	4. FORMS OF MARKET AND PRICE DETERMINATION- Perfect competition- Features, Determination of market Equilibrium and Effects of shifts in Demand and Supply.	4. FORMS OF MARKET AND PRICE DETERMINATION- Perfect competition- Features, Determination of market Equilibrium and Effects of shifts in Demand and Supply.	Forms of market (contd)	

INFORMATICS	DBMS Models, Relational Database, database key, Overview of SQL and MySQL.	Features of SQL, advantages of SQL, classification of SQL statements,	MySQL basics, data types, commands, integrity constraints- primary key and foreign key	viewing constraints, viewing the columns associated with constraints.	
INFORMATICS (PRACTICALS)	1) Writing SQL commands to create database, create table using constraints and Inserting records. 2)Creating a Customer table and Product table under the database MYDB	1) Writing SQL commands to create database, create table using constraints and Inserting records. 2)Creating a Supplier table and Product table under the database MYDB	1.Writing SQL commands to create database, create table using constraints and Inserting records. 2.Creating a Employee table under the database MYDB	1) Writing SQL commands to use relational and logical operator over a table. 2) Inserting at least 10 records in each Customer and Product table and perform the range comparison using Relational and Logical operators.	1) Writing SQL commands to display the records using IN, NOT IN, BETWEEN clauses over a table. 2) Display the records which are matched with the Numeric or String comparison using IN, NOT IN, BETWEEN clause in the Customer table.
PHYSICAL EDUCATION	<p>Definition & Importance of Psychology in Phy. Edu. & Sports</p> <p>Discussions/Sharing of Personal social Experience</p> <p>Psychology & Sports</p> <p>Define & Differentiate Between Growth & Development Study of natural growth</p> <p>Developmental Characteristics At Different Stages of Development</p> <p>Asking questions</p> <p>Adolescent Problems & Their Management giving solutions and ideas</p>				

ENGINEERING GRAPHICS	Machine block 6			Machine block 15	Weekend
	Machine block 7	Machine block 11	Machine block 15	Machine block 16	
	Machine block 8	Machine block 12	Machine block 16	Machine block 17	
	Machine block 9	Machine block 13	Machine block 17	Machine block 18	
	Machine block 10	Machine block 14	Machine block 18		
	LAB TOPICS Chart paper modeling of sectioning of solids				
WORK EXPERIENCE	Prepare a result analysis report and calculate average, percentage based on the marks.	Prepare an excel sheet on student details and insert appropriate header and footer in a file and do center alignment.	Prepare an excel sheet using the concept of cell formatting and using percentage numeric format	Prepare a sheet using the concept of IF statement to find the performance and grades of students based on total marks and display pass or fail	Prepare a report on the sales performance of the employees and calculate the commission
GENERAL STUDIES	Project file Topics based on *Green Technology *Nano Technology				

*Bio Technology
