

JANMASHTAMI ASSEMBLY

(CLASSES I & II MORNING SHIFT)

The children of Classes I & II presented an impressive special assembly on 24th of August, 2016 to celebrate Janmashtami.

The play area of the kindergarten was decorated colourfully and beautifully, which created an awesome ambience. The PALANA and the DAHI HANDI caught the attention of the children.

The children spoke about the importance of this festival. This was followed by a fabulous dance performance by the children showcasing the "KRISHNA LEELAYEN".

The Hindi teachers and the children indeed deserve accolades for their efforts to make this day a very memorable one.

As *Janmashtami* signifies togetherness, the whole assembly encouraged goodwill by bringing the children together, thus signifying unity and faith.
