## World Elders' Day Celebration

(Classes I & II- Morning Shift)

“Grandparents are the footsteps to the future generation”

To commemorate the immeasurable contribution of grandparents in our lives, World Elders' Day was celebrated on 8<sup>th</sup> October 2017 by the students of Classes I and II.

The grandparents of Classes I and II were the special invitees for the programme. Accompanying them were the parents of the students who were also invited to be a part of the grand celebrations.

The programme began by invoking God's blessings with the ceremonial lighting of the lamp along with the soulful rendition of the Prayer Song sung by the children of Class II. This was followed by a traditional dance comprising of a medley of songs in regional languages. The teachers of Classes I and II then presented a Retro Dance. It transported us all back to the golden era of Bollywood when songs defined moments of joy and celebration! It was heartwarming to see the teachers performing wholeheartedly on this special day! The Spot Games added a touch of fun and enthusiasm to the event!

There was also a special session by Dr. Parvez Khan who gave tips to parents and children about the ways to make grandparents independent. It was indeed an engrossing and informative session! ISWK thanks him for his contribution.

The choir of Class I children sang a beautiful song “Teri Hain Zameen” for the wonderful grandparents which brought a smile on their lovely faces! The children of Classes I and II also presented well co-ordinated dances which were beautifully choreographed by the teachers. The highlight of the day was the surprise game for the grandparents. It was a treat to watch the grandparents play the game with full enthusiasm which reminded us that there is a child in all of us!

As a token of love and appreciation the grandparents were presented momentos by the school.

The teachers and the children of Classes I and II left no stone unturned to make the grandparents feel special and loved!

The display of emotions, smiles on the faces and love in the air made this celebration a memorable one! Grandparents are a sprinkle of stardust over our lives! The ISWK family salutes the grandparents who shower us with their abundant blessings and unconditional love!
