

INDIAN SCHOOL AL WADI AL KABIR

Date: 16-9-2018

Swachchhata Pakhwada – A Report

Indian School Al Wadi Al Kabir took an initiative for observing Swachchhata Pakhwada from September 1, 2018 to September 15, 2018. The first activity was to take an oath on Swachchhata that was read by the school counsellor followed by the students. Next in line was a Drawing Competition based on above said topic. The new initiative taken up by Indian School Al Wadi Al Kabir is 'Say No to Plastic' Campaign which discourages the students from using any plastic item. In the literary field, students got an opportunity to express their feelings on the topic "Cleanliness in School Campus" in form of Formal and Informal Letter-Writing. In spite of having a hectic schedule of Mid Term Assessment, the zeal and enthusiasm shown by staff and students was noteworthy. The Campaign culminated with the prize distribution ceremony in which prizes were given away to the students who showed the true spirit of participation in the event.

This initiative of CBSE was well appreciated by the staff and students.
