**CIRCULAR TO PARENTS
(CLASS II)**

Dear Parents,

Greetings from ISWK!

In today's world, computer science opens up more doors for your child than any other discipline. Recognizing the fact that it is imperative for learners to keep pace with constant advancements in technology, one must be thoroughly skilled and completely techno-savvy to be poised for the digital age. To cope with these revolutionary changes, an early beginning will help foster the much required skills which are considered to be a sound foundation for digital literacy.

To develop their digital skills and to bring out their innovative talent, the Department of Computer Science of ISWK, has decided to conduct the E-drawing competition "Digi-Savvy Hunt – 2020" using Google Form for our Junior Tech Wizards of Class II.

The Quiz will be based on Logical Reasoning, Word Search, Crossword, Spot the differences and general awareness in the field of Information and Technology and it will be conducted on 8th November, 2020, from 9.00 a.m. to 11.00 a.m.

Computer Words Wordsearch *

Sample Paper will be provided to students for practice.

Please note that it will be mandatory for all students to participate.

Kindly guide and motivate your child to participate and develop his/her creative skills.

Thanking you for your co-operation as always!

With regards,

A handwritten signature in blue ink, appearing to read "D.N. Rao", is written on a grey rectangular background.

D.N. Rao
