CIRCULAR TO PARENTS
(CLASS III)

Dear Parents,

Greetings from ISWK!

In today's world, computer science opens up more doors for your child than any other discipline. Recognizing the fact that it is imperative for learners to keep pace with constant advancements in technology, one must be thoroughly skilled and completely techno-savvy to be poised for the digital age. To cope with these revolutionary changes, an early beginning will help foster the much required skills which are considered to be a sound foundation for digital literacy.

WELL-DESIGNED VISUALS DO MORE THAN PROVIDE INFORMATION; THEY BRING ORDER TO THE CONVERSATION." — DALE LUDWIG

To develop their digital skills and to bring out their innovative talent, the **Department of Computer Science** of ISWK, has decided to conduct the MS Paint competition "Digi-Savvy Hunt – 2020" using MS Paint software for our Junior Tech Wizards of Class III.

Microsoft Paint or 'MS Paint' is a basic graphics/painting utility used to draw, colour and edit pictures. Students need to prepare a well-designed picture using MS Paint Tools.
