**CIRCULAR TO PARENTS
(CLASS IV)**

Dear Parents,

Greetings from ISWK!

In today's world, computer science opens up more doors for your child than any other discipline. Recognizing the fact that it is imperative for learners to keep pace with constant advancements in technology, one must be thoroughly skilled and completely techno-savvy to be poised for the digital age. To cope with these revolutionary changes, an early beginning will help foster the much required skills which are considered to be a sound foundation for digital literacy.

WELL-DESIGNED VISUALS DO MORE THAN PROVIDE INFORMATION; THEY BRING ORDER TO THE CONVERSATION.” — DALE LUDWIG

To develop their digital skills and to bring out their innovative talent, the Department of Computer Science of ISWK, has decided to conduct the Flying Machine competition “Digi-Savvy Hunt – 2020” using MS-WORD software for our Junior Tech Wizards of Class IV.

The competition in Microsoft Word tests students' skills in Microsoft Office applications. Participating in this competition provides an excellent opportunity for the children to showcase their Microsoft Office Word skills.

A flyer is a form of single paper advertisement intended for wide distribution and typically posted or distributed in public places, or sent through a mail. A well-designed flyer should be colourful, striking with eye-catching graphics to draw people's attention. It should be informative, know what the flyer is advertising and where they can find out more.

The details for the Preliminary Round are as follows:

Topic: (Choose any One): An Invitation Card for an event / Flyer for a Competition

Software used: MS WORD

Date: 12-11-2020

Time to design the flyer: 11.15 a.m. - 12: 45 p.m.

Time to upload the flyer: 12: 45 p.m. – 1.15 p.m.

CRITERIA FOR JUDGING

❄ **Contents**

❄ **Tools & Techniques used**

❄ **Aesthetics (color choice and presentation)**

Other Rules and Regulations:

1. *The file submitted by the student MUST BE the WORK OF THE STUDENT ONLY and NO ALTERATIONS must be done by any other person other than the student. If found that the work has been duplicated/downloaded from the internet/ not of the student's own creation, the entry will be disqualified.*
2. *During the competition, the teacher may ask any of the students to share their screen and check the work in progress. In case the student fails to show the work in progress, the student's entry will be disqualified.*
3. *Only one file can be uploaded as the entry for the competition.*
4. *The work should be based on the given topic in the given file formats.*
5. *In case of any hardware issues, the student should inform his/her computer teacher through mail well in advance.*
6. *The judge's decision is final.*

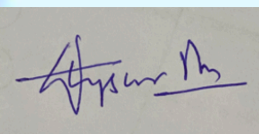

Please note that it will be mandatory for all students to participate in the preliminary round.

THE WORK MUST BE UPLOADED IN THE GOOGLE FORM, THE LINK OF WHICH WILL BE PROVIDED ON THE DAY OF THE EVENT. THE WORK MUST BE UPLOADED IN THE FORM OF .pdf.

Kindly guide and motivate your child to participate and develop his/her creative skills.

Thanking you for your co-operation as always!

With regards,

D.N Rao

Principal
