CIRCULAR TO PARENTS
[Kindergarten I - Class XII]

Dear Parents,

This is in continuation to the google form shared earlier to update the resident ID card number/Covid vaccination certificate (Students of age 12 and above) and upload the same.

As per the directives of the Ministry of Education, please be informed that it is a mandatory requirement for the school to maintain a record of resident card of all the students from KG I to Class XII by 9th of September 2021 and furnish the same to the Ministry as and when required. However, considering the practical challenges involved in getting the card issued for the students, we would like to inform that the deadline for the parents has been extended to **20th September 2021**.

The parents are requested to send a scanned copy of the resident card to the respective class teachers before the deadline (20th September 2021).

For further details, please visit the Royal Oman Police page on the link:
https://www.rop.gov.om/english/resident_id.html

Note: All students of age 12 and above are requested to share a scanned copy of the Covid vaccination certificate and the status of Covid vaccination (First Dose/Second Dose) with their respective class teachers, as and when they get vaccinated, with a copy to nurse.senior@iswkoman.com. Students who are not vaccinated may not be permitted to attend the school once the school reopens for physical/hybrid class.

With best regards.

D. N. Rao
Principal
