WORLD FOOD DAY POSTER CONTEST
(An initiative from the Department of EVS, Indian School Al Wadi Al Kabir)

Dear Parents,

Every year on **16 October**, we celebrate **World Food Day**.

World Food Day 2021 is raising awareness of the need to provide enough nutritious food for all through **better production, better nutrition, a better environment and a better life**.

This **World Food Day** we are pleased to announce that **FAO (Food and Agriculture Organization of the United Nations)** is launching **new youth activities** for students to learn about important world issues and how to creatively interpret what they have learned and take action.

FAO's tenth edition of the **World Food Day Poster Contest** is open to students worldwide between 5 and 19 years old and all skill levels. We want our students to use their imagination and **create a poster showing a food journey!** There are many different kinds of journeys that food can take, some that guarantee a healthier future for people and the planet. Posters can be drawn, painted or digitally designed and uploaded to the **World Food Day website** by following the instructions provided.

Students to enter the Poster Contest at the link: **<http://www.fao.org/worldfoodday-contest>** before **5 November 2021**.

More details on how to participate are provided on the WFD website: **<http://www.fao.org/world-food-day/en>**

Students can refer the **World Food Day 2021 Activity Book** before entering the Poster Contest.

Kindly encourage, guide and motivate your child to participate in the contest with full enthusiasm.

Wishing all our students 'Best of Luck'!

With Best Wishes,

D. N. Rao
Principal
