**CIRCULAR TO PARENTS
[Class X & XII]**

Dear Parents,

Sub: STUDENTS SHOULD NOT REPORT FOR ONSITE PRELIMS-2 IF THEY ARE UNWELL

Greetings from Indian School Al Wadi Al Kabir.

* Considering that the impact of the pandemic continues till date, the ISWK family requests all students and parents to adhere to, and take all necessary precautionary measures laid down, as mandatory, for prevention of the spread of the COVID-19 and remain safe.

All the guidelines issued by the Ministry of Education and the Ministry of Health, Sultanate of Oman are to be strictly adhered to, in the event of students attending classes or parents visiting the school premises. We wish you to be safe and protected, therefore the appeal.

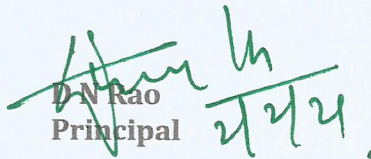

In light of the above, Parents of Class X & XII whose students have opted for the Onsite Prelims-2 Examinations are requested to stringently monitor their children's health on a daily basis, especially on Examination days, and if any child shows the slightest symptoms of being unwell (cough, cold, temperature or respiratory problems), they are to refrain from attending the onsite Examinations.

There is no reason for either the parents or children to panic in such situations, as any child reporting unwell, can take the same exam on that day, ONLINE (the question papers and time schedules, remain the same).

This is for your kind information.

Thank you.

With best wishes and warm regards.
