CIRCULAR TO PARENTS
[CLASS IV]

Dear Parents,

Greetings from ISWK!

In our endeavor to foster the holistic development in our students, the school has always been providing a wide range of Co-Scholastic Activities as a part of the School Curriculum. We are pleased to inform you that with the commencement of the new academic year 2020 - '21, we will be offering a wider variety of activities. However, these Co-Scholastic Activities will be offered based on the students' choice so that they get an opportunity to specialize and progress in their respective field of interest.

The main objective of these Co-Scholastic Activities is to promote aesthetic development by tapping and developing the inbuilt talent and potential of the students and simultaneously boosting their morale and confidence.

In this context, you are requested to please take note of the following points -

- You are requested to list down your **first 4 preferences** of the activities from the list given below by marking your preferences as 1, 2, 3 & 4.
- Choices once confirmed will not be altered during the academic year.
- All effort will be made to enroll students as per their 1st and 2nd choice, however if a large number of students opt for a particular activity then the remaining two preferences will be considered in order to balance the groups, which will be final and binding.
- You are requested to return the filled proforma to the class teacher **latest by 8th March, 2020**.

With best wishes,

D N Rao
Principal
