*“Inside each of us is a natural-born storyteller,  
waiting to be released.”*

**Dear Parents,**

**Greetings from ISWK !**

Childhood is a distinctive developmental stage of life. Through various activities and competition we enhance the speaking skills of our children in Hindi. We are pleased to inform you that we have organized a Hindi Story Telling Competition for the students of class IV during the month of January. We look forward to maximum participation and assure you that our teachers will guide and support them with useful tips for their presentation. The first qualifying round for the same will be held on 11<sup>th</sup> November during regular school hours.

We request you to motivate your child to participate in the same and take advantage of this platform given to them. For further information you may visit the school website to view the flyer for the same.

We look forward to maximum participation.

With warm regards,

  
D.N Rao
