

## **EXCURSIONS 2016 CLASS V**

### ***I WANT TO BE THE NEXT EINSTEIN .....***

This was the outcome of the excursion for Class V. The children of Class V had the opportunity of visiting the Science Museum in the month of October, 2016. The children had a blissful learning experience and felt on top of the world feeling like a scientist and having a firsthand experience in the magic of inventions. It stirred the thinking and imagination of the kids and they came back with fond memories along with an inquisitive mind to try out something new! Take a peek into their world of excitement.....
