

ENGLISH CHORAL RECITATION
CLASS III
2018-2019

Poetry is the rhythmic creation of beauty in words. - Edgar Allan Poe

ISWK believes in providing numerous opportunities to the students where they gain confidence, develop social skills and overcome stage fear. ISWK Primary Wing had one such event for class III - 'The English Choral Recitation'. Reciting poems can prove to be a stepping stone for children to develop their verbal skills and boost their confidence.

It was an inter-class competition which provided students with an opportunity to exhibit their talent through their mesmerizing poems. All the classes recited the poems with great endeavor. The performances were highly appreciable and gathered a huge round of applause.

Each poem was judged based on their presentation, pronunciation and confidence. The following classes emerged as the winners.
