How Should I Send My Scores to Colleges?

This student score report is for your use only. Most colleges require you to have the College Board send them official score reports — they don't accept copies of student score reports, online score reports, or score report labels on transcripts.

With Score Choice™, you decide which scores you send to colleges. Choose by test date for the SAT and individual test for SAT Subject Tests — in agreement with an institution's stated score-use practice. Visit studentscores.collegeboard.org for detailed analysis of your scores and more information on sending scores to colleges.
