

MORNING SHIFT

Indian School Al Wadi Al Kabir, Primary Section witnessed the most awaited event of the year, Eureka! You Know, You Grow!, the grade level science quiz for grades III, IV and V on 4th and 5th November, 2019. There were forty contestants, representing ten different sections who gave a tough competition to each other.

The various mind boggling rounds put forth by their teachers were designed to test their general awareness on various scientific areas, logical thinking and reasoning ability as well as practical application of scientific concepts learnt.

The audience which included the parents of the finalists and the Online Eco quiz Winners were left awestruck at the way the students responded leading the quiz to another level of competition.

Parents who won the Online Eco Quiz, conducted as part of World Environment Day celebrations were felicitated along with the winners of Eureka!

AFTERNOON SHIFT

The students of Grades III, IV and V witnessed a stunning competition among their respective sections on the 4th of November 2019.

The format of the quiz entailed five rounds wherein the children were exposed to multifarious questions. The most captivating round was the Rapid Fire Round which turned tables. Although all the teams participated actively, finally the following teams emerged as winners.

Dr. Muhammed Zahir Kunhammed was the Guest of Honour. He works as a physician at the Diwan of Royal Court Hospital. He is also a psychologist and a social worker. He addressed the students with a short motivational talk and felicitated the parents, who were the winners of the Online Eco Quiz, along with the winners of the Eureka!
