

ENGLISH BONANZA

SPELLING BEE COMPETITION

CLASS IV

ISWK believes in the holistic development of the students. In order to achieve this goal, many activities are conducted, both academically and co-scholastically, to give the students an opportunity to excel in the skills they possess best. One such skill is the ability to spell correctly.

To encourage the students to become good spellers, the event English Bonanza was conducted for the students of Class IV. The main purpose of conducting this event was to help students improve their spelling and to increase their vocabulary eventually making them proficient in the English language.

The English Spelling Bee Competition was conducted for all the ten sections of Class IV. Each section was given impressive, catchy and motivating names.

At the end of very exciting and nerve racking sessions of spelling, the results were as follows.

1ST PLACE - 4B - VIVACIOUS SPELLERS

2ND PLACE - 4D - EXCELLENT SPELLERS

3RD PLACE - 4G & 4I - PASSIONATE SPELLERS & POWERFUL SPELLERS

The English Spelling Bee Competition was truly a memorable competition for the students of Class IV. They were put to test and came out in flying colours. They look forward to the next academic year to meet the Bees once again at another round of exciting spelling session.
