**MOTHER'S DAY  
ACTIVITY**

*"All that I'm or hope to be, I owe it all to my mother."*

*- Abraham Lincoln*

*"Happy Mother's Day to the greatest mom! We don't say enough, but we really appreciate all that you do for us every day. You are truly kind, strong and nurturing."*

**Mother's day is celebrated in various parts of the world to express respect, love and gratitude towards mothers. It is an event to honour the contribution and acknowledge the efforts of mothers and also to demonstrate our appreciation to them. Mothers work from dawn to dusk, just to make our day perfect. Mother's day gives us an opportunity to thank them for all their support and care.**

**On this special occasion, THE DEPARTMENT OF EVS conducted a special activity for all the students of Grades III, IV & V. The students of Grade III & IV were instructed to watch the video on "Mother's Day – Card Making activity" and make those lovely cards during the weekend. The students of Grade V were instructed to watch the video on "Mother's Day – Badge Making activity" and make those appealing badges during the weekend. All the students presented the greeting cards and the badges to their mothers on 10<sup>th</sup> May, International Mother's Day.**

**It was a perfect occasion and an awesome way to express love and appreciation for all mothers!**
