

ISWK SISTERS' PRIZES IN 'PORTRAIT BY A NATION' ADD ANOTHER FEATHER IN THE CAP OF ISWK

19th February, 2018 was indeed a proud day for ISWK. This was the day when the results of Y Magazine's 'Portrait by a Nation' were announced in an award ceremony at the iconic Sheraton Oman Hotel. Among the top 9 winners, chosen out of a record 2300 participants by a panel of esteemed artists, were two ISWKians—Richa Thakur and Vaidehee Thakur.

While Richa won the 1st prize in the 10-13 years age category, along with stupendous gifts worth OMR 500, Vaidehee bagged the 2nd position in the 14-17 years age category, along with prizes worth OMR 250. In addition to this,

Vaidehee got a special mention on Instagram by Y Magazine for following a less-trodden path in the world of art—ballpoint pen art.

Richa, on the other hand, preferred mixed media for completing the portrait of his Majesty.
