### **ANNUAL ATHLETIC MEET, FUN GAMES AND DRILL DISPLAY - I.S.W.K.**

The Afternoon Shift at ISWK, hosted its Annual Sports Day on 6th November, 2018 – a joyous occasion which highlighted the importance of sports and fitness for the younger children.

Mr. Haitham Bin Mohamed Jawad Al-Lawati, Secretary General for the International Tent Pegging Federation, was the Chief Guest and he along with Members of the School Managing Committee, the Principal and other distinguished guests graced the event and encouraged the budding athletes with their presence.

The school ground was beautifully decorated for the drill displays and various athletic events. The atmosphere was exciting and frolicsome. The event began with the Torch Relay radiating joy, enthusiasm and youthful exuberance.

It was delightful to watch a variety of fun games by the pupils of the Kindergarten and Classes I and II. Athletic events for children from Kindergarten to class five showcased the talents of the pupils in the arena of sports. The exciting programme was very effectively displayed right through the meet with the help of props, fun games, athletics and drill displays. The events were conducted amidst tense yet friendly rivalry. The Inter School Relay which had four Indian School teams was an 'adrenaline rush' experience for the participants and the spectators. Every time the athletes tore round the bend for the finish line, they had the spectators on their feet cheering and applauding. The excitement filled the air as the four Houses fought for every point to win the Champion's Trophy. Eventually, the Ashoka House emerged as the undisputed champions. It was an amazing display of grit and enthusiasm by the Afternoon Shift children. Thunderous applauding from the spectators filled the air as events rolled in and out. The Parents Relay was a surprising item of the day. With immense pride, the parents watched their children perform spectacularly on the playfield.

At the end of the meet the students departed with a smile on their faces. It was a day filled with sportsmanship, enthusiasm and memories to cherish. Even though the Ashoka House was declared the champion, it was the true spirit of sportsmanship that was the true champion.
