We are pleased to inform you that Indian Social Club Oman- Sanskrit Wing has organized **Sanskrit Sandhya** on **November 25<sup>th</sup> 2016, Friday from 5:00 pm to 7:00 pm**. Sanskrit Wing's objective is to provide platform for Sanskrit lovers to propagate the language. We always find it necessary to provide an opportunity to Indian School Children who has opted for Sanskrit Subject in such programs. In view of this we request you to advise children to present their Sanskrit talent in this function & participate in big number.

Each school will be given a slot of 20 minutes with minimum two entries, each 10 min, either on small Sanskrit skit or Sanskrit sambhashanam between groups or Sanskrit Song with music. Your school's participation will encourage the children as well as organizers to propagate the Sanskrit language.

Thanks
