# Science Quiz '18

Classes III, IV and V

(Morning Shift and Afternoon Shift)

*"The capacity to be puzzled is the premise of all creation, be it in art or in science."*

*- Erich Fromm*

*Our science smarts were put under the microscope and tested on how much they knew about the Universe, biomes, buoyancy, and more!*

*The Event was conducted in two stages...*

- 1. Written Preliminary Round and*
- 2. Final Round*

*A Preliminary Round of a written examination was conducted amongst all the classes of III, IV and V and then the top four students were selected from each section for participation in the class wise Science Quiz '18.*

*An orientation was arranged to all the finalists to give a brief overview of the various rounds they need to face.*

*10 teams ..40 finalists from each grade in the Morning Shift ...*

*8 teams.....32 finalists in the Afternoon Shift....*

*All enthusiastically participated in the Science Quiz'18 Finals .*

The Inter-Class Science Quiz'18 Finals was conducted at the Primary Wing, Indian School Al Wadi Al Kabir [19<sup>th</sup> November 2018 - Classes III & IV (M/s) and Classes III, IV and V (A/s), 28<sup>th</sup> November 2018 - Class V (M/s)].

It was truly a subject enrichment for our students.

Theme based team names were assigned to each team and they faced five rounds with a series of questions that interested and engaged the scientific spirit in every student.

“Riddles Corner, Picture Perfect, Double Trouble, Blockbuster Round are to be name a few rounds.”
